SEMCO ENERGY Gas Company Energy Waste Reduction (EWR) Residential Program

June 22nd, 2026

Multifamily Program Offerings

- Incentives are available for most energy-efficient upgrades
- SEMCO Energy Waste Reduction Program incentives can be combined with electric incentives
- Incentives are available for measures serving tenant units only
- Streamlined participation process makes it easy to upgrade equipment with a contractor of your choice or by working with one of our Qualified Service Providers

Market Rate Tenants

- Easy eligibility verification for SEMCO customers
- No income verification required
- Incentives help reduce project cost

Income Qualified Tenants

- Income eligibility verification required for participation
- Many properties may qualify if tenants are below 250% of the federal poverty level or 80% of Area Median Income
- Enhanced incentives can help you afford whole-building improvements
